Ranu Mishra (L) with Harbhajan Singh

Bhaji and fan's new ballgame

Harbhajan Singh learnt a new bowling action recently when he met the winner of the Pepsi Meet The Game Changers promotion in Mumbai. The lucky guy is Ranu Mishra from Kanpur, who, on his first visit to Mumbai, got the opportunity to show the ace bowler his very own bowling technique. It was the Aeroplane action - a unique way of celebrating, in which, after having taken a wicket, you spread both your arms and circle the just-out batsman, showing him the way back to the dressing room!

Speaking on this game-changing moment, Ranu said, "I am thrilled with the experience of meeting my favourite cricketer and getting a chance to show him my aeroplane action. I hope to see Bhaji do this on the pitch when he takes a wicket!" Added Harbhajan, "I am very excited about this new game-changing promotion by Pepsi, where the winners get to meet their favourite cricketer."

The winners of this campaign stand a chance to choose the cricketer they want to meet, from among Mahendra Singh Dhoni, Suresh Raina, Virat Kohli and Robin Utthapa, and show them their favourite game-changing moves. Additionally, one winner every hour gets to win an iPod Shuffle, 300 winners every hour get top-ups worth ₹30, and all consumers get an assured prize of a free song download.

If you want to meet your favourite cricketer too, look under the crown of your Pepsi and SMS the code to 09213092130 in the following format: PEPSI <space> Unique Code.
