

CAUTION NOTICE

from  PEPSICO

PLEASE BE INFORMED that recently we have come across several instances where emails, SMS and wall post on social networking sites have been generated /circulated / posted containing malicious and defamatory contents relating to the safety of some of our product. These defamatory and malicious messages have been wrongly attributed to "Delhi Police" and a news channel.

We wish to inform all the consumers and customers that there is absolutely no truth in any of these messages that you may have received or might receive.

All our Products is manufactured in the state-of-the-art manufacturing facilities which are certified by national and international institutions not only for safety and hygiene of our manufacturing process but also for the ingredients used in the manufacture of our product

We wish to assure all our customers and consumers that our products are absolutely safe and fully compliant with the applicable regulations in our country.

Please be informed that communication or proliferation of any capricious, malicious and defamatory messages either by email, SMS, Wall post on social networking site or any other electronic form is punishable offence under the information Technology Act and Indian Penal Code and the offender is also liable to be proceeded against for the payment of damages for causing loss of reputation and demeaning our brand equity and consequent business loss.

In case you receive any such malicious and defamatory message either by email or SMS or wall post on a social networking site or otherwise or you have any queries or concerns or clarifications in relation to our products , please call us at our helpline 1800224020 or email us at consumer.feedback@pepsico.com
