CHAAT CHAT: Actress Locket Chatterjee and Praveen Someshwar, CEO of Pepsico, visited Kari Sahu's chaat stall in front of Chowrasia, City Centre Salt Lake. "I like chaat. Kurkure is something that we can have non-stop. From six to 60, everybody loves Kurkure. My favourite is Chilli Garlic and I would appeal to all to try this combo during the Pujas. It is very delicious and something new. When we shoot and have a *phuchkawallah* or chaatwallah outside, we generally call them into the floor and the whole unit has *phuchkas* and chaat. Shooting usually goes on for long and becomes boring, chaat and *phuchkas* make it interesting," said Locket. SMS your favourite Kurkure flavour from Kurkure Chilli Mustard, Kurkure Chilli Saucy, Kurkure Chilli Garlic and Kurkure Chilli Achari to **5499974**. Lucky winners will receive a cheque for Rs 31,000 and get to shop with Raima Sen at the Pantaloons store in South City Mall.
