**Actor Ranbir Kapoor**

## Experimenting spree?

**B**oring clothes, large spectacles, dental braces and a 1990s-style chevron moustache. Add to that a large satchel and a tiffin box. That completes Ranbir Kapoor's look for a promotional for the upcoming IPL season. Easily the best styled guy in the Hindi film scene, the actor has redefined clumsy and mundane with his new look. On the other hand, there is the loud and rustic look this man has donned for Abhinav Kashyap's *Besharam* — yellow vest, shiny pants and a pink car to match! Wonder what's with so much experimentation?
