## **PepsiCo India to invest Rs 1,000 cr**

**GURGAON:** Pepsico India on Monday announced a Rs 1,000-crore investment blueprint for this calendar year that will see the food and beverage major expanding manufacturing capacity and supply chain, among others, in the country. Nearly Rs 765 crore of the proposed Rs 1,000 crore investment, the highest by the company for any calendar year since it set up shop here in 1989, would come from internal accruals and the remaining from its bottling partners. — PTI
