### **PepsiCo posts double-digit volume growth**

**NEW DELHI:** Beverage and snacks maker PepsiCo posted double-digit volume growth in India, Pakistan and Egypt for the April-June quarter, the New York-based company said in a statement on Tuesday. "The AMEA (Asia, Middle East, Africa) region made significant in-vestments to expand its footprint in key growth markets such as China and India. A strong productivity agenda and tight cost controls helped to offset cost pressures," PepsiCo said in a statement. In snacks too, India, Middle East and China posted double-digit growth riding on value, innovation and expanding its footprint. "India had its highest volume month ever in May," the company said.
