Weathercoat allguard

Berger Paints India Ltd launched Weathercoat Allguard, silicon enhanced exterior paint with strong water resistant property that provides long lasting protection to a building. Weathercoat Allguard contains silicon additives that impart a slippery, plastic-like shield to the paint film, which wards off accumulation of water on the surface and resists absorption, thus keeping the surface fresh and dry. Weathercoat Allguard comes with a 7 years performance warranty and is available at around Rs 225 per litre.
