## RANBIR KAPOOR RK turns footballer!

Sport is suddenly in the air, beams Candy, who says that after endorsing some outdoor sport for some news channel, **Ranbir Kapoor** is now going to be seen as a footballer in one of his upcoming ad films. Basically, the actor, a huge fan of footballer Lionel Messi, has

imported a lot of characteristics from him and posed as a soccer star in his Pepsi cola or some such campaign, which went on air last night. Candy says Ranbir had to slog really hard to complete the shoot in time so that he could be available to his other directors. *Zzzzz!* Whatever!
