Ranbir's cola capers

The recent Pepsi ad is creating havoc barely three days after it's gone on air. The ad features Ranbir Kapoor, Sanjay Dutt and Jacqueline Fernandez. However, the most interesting part is that Ranbir's ex-girlfriend Deepika is also the brand ambassador for the same soft drink brand.

Our source said, "The company had initially planned to use both of them in the ad but after their much publicised break-up, they had no choice but to bring in someone else at the last minute. They found Jacqueline and she was roped in as the wow girl for the ad.

"Ranbir had made it clear that he doesn't want anything to do with Deepika and in spite of her being a brand ambassador, she was not asked to be a part of the ad. Now a different ad film is being worked upon which will have Deepika in it."
