

Seven in one

TROPICANA, the international juice brand from PepsiCo, has launched a mixed fruit variant in its wholesome 100 percent fruit juice series. The juice packs in the goodness of seven fruits - apples, oranges, grapes, peach, apricot, passion fruit and a dash of lemon. Made from handpicked fruits, the juice has no added sugar, no colour and no preservatives. It is naturally fat and cholesterol free and is also a good source of potassium, which could help reduce

the risk of high blood pressure. The Indian Medical Association recommends having five servings of fruits and vegetables everyday, and Tropicana juice comprises one such serve.
